

EMRS Dec 2005 Release- New Features!

Investigation Summary

Header Section

The Header Section has been reorganized on the Investigation Summary to ease data entry of the Incident, Location and Access Group fields, the rest of the information in this area is inherited from fields in the body of the Investigation Summary but brought to the top of the form for easy reference!

Invest Summary- Prem Info Section

This section was reorganized to place all of the Premises Fields to be entered in one place and the Prem ID Field is also located in this area!

Also a special section to accommodate GPS coordinates gathered in the field along with Geo-coded coordinates has been added.

Company Name has been changed to Prem Name to highlight the need to enter a unique Prem or Farm name here instead of a large corporate name which applies to many farms.

Prem Association – added to allow Prem from large corporations or producer groups to be associated in queries when these need to be grouped.

New Lab Submission Form

The Lab Submission form has been reorganized and enhanced to make it more user friendly!

It will be able to receive data from laboratories electronically in the near future. Besides having the same header for prem and animal owner as other forms it has other enhancements! When created from a Herd Exam many fields are inherited to prevent duplicate data entry.

The layout has been reorganized for better information flow!

EMRS December 2005 Release

A button was added to copy samples in a variety of ways to speed data entry and eliminate duplicate data entry!

The screenshot shows the top navigation bar of the EMRS software. The 'COPY SAMPLE' button, which includes a document icon with a plus sign, is highlighted with a black arrow. Other buttons in the bar include 'EDIT', 'NEW SAMPLE', 'CREATE TEST RESULT', 'MAIL IT', 'REQUEST DELETION', 'DELETE DOC', and 'HELP'. Below the navigation bar is a breadcrumb trail: 'WelcomePage -> Investigation Summary -> Herd Exam Form -> Lab Submission Form -> Sample Form'. The main header area displays 'SAMPLE DETAIL FORM' on the left, and 'Incident: Fad Investigations' and 'Incident Site: Louisiana' on the right.
